W AND Y SPEED RATED
UTQG 300 AA A AND 400 AA A

The BU66 is an ultra high performance radial tire engineered for high-performance sport coupes and sedans. The BU66 features a variable pitch tread design that provides a smooth, quiet ride while its advanced tread compound delivers superior cornering and exceptional handling.

40,000 Mile Limited Treadwear Warranty

For full warranty details, visit blackliontires.com/warranty

- Asymmetrical tread pattern.
- Inside tread pattern is designed for water evacuation which enhances wet traction.
- Outside tread pattern is designed with larger contact areas which improves dry traction.
- Silica compound reduces heat, provides improved wet traction, braking and reduced rolling resistance.
- Jointless Bead Cover: spiral steel band wrapped around beads improves the structural rigidity of the tire resulting in a smooth ride.
- Rim protector.
